Dear Kathleen,

I received the Contract for the 3 Con-
certs with the Resident Orchestra and gave up
the Contracts for choice. - About the accom-
panist I shall look forward to your news
about Georges Laurant. When he is not able
to come I have still an other good pianist
Mr. Goemans in The Hague who accompanies
the Soloists of the Resident Orchestra. You can see
him when you are in Scheveningen. And Schmitz-
ler? Do you remember our joke in Melbreech
about the Intimate de Laan - Schmitzler - Mos-
sel? But we can see later, perhaps he has
become now better, the bear garcon is now mar-
ried! Last season I began with Subscription Con-
certs (3 or 4) with artists of first rate in diffe-
rent towns. They were very good and I think
to give still more next season where you could
play also. The numbers of subscribers offers direct-
ly a guarantee for a good recital.

Such Concerts should be in Zwolle Amersfoort
Hrvelboorn Leeuwarden. Then Middelburg Delft
Wynnezen Zutphen Teverik perhaps Hertogenbosch
Your own Concerts are already fixed in 's-Haarlem
The Hague 's-Haarlem Utrecht Haarlem Leiden
Alkmaar Gronau Silversum Bussum Venlo
Maastricht etc. Then I propose to make the
celebrated Christmas-Matinee Parlow-Pombau
in 's-Haarlem 's-Haarlem The Hague. You see you
shall have a lot to do so as another saint in
Meldrecht a heap, and so I should like to begin
your Tour October 23rd. - I think that is so a
good plan and you shall agree to it. - Here it
also has wet weather it is to hope that it shall
change for to get a good harvest.

Kindest regards for you both from us all.

Yours very sincerely
J. Augustin
